## Our Thematic Curriculum

The children at Loving Touch Nursery School are always learning. Our curriculum is based on 10 themes and more than 100 objectives that are developed and reinforced throughout the September to June school year. The following subjects and skills are all taught through these themes at a level that is developmentally appropriate for each child.

- Language
- Reading Readiness
- Pre-Math
- Science
- Social Studies
- Creative Arts
- Music & Movement
- Dramatic Play
- Cooking
- Socialization
